

The Human Brain Project (HBP) FET Flagship SGA2 Call for Expressions of Interest (CEol)

“Best Concepts and Ideas for Diversity in Research and Management”

Proposal Template

This template is for proposals for the HBP Call for Expression of Interest (CEol) addressing “**Best Concepts and Ideas for Diversity in Research and Management**”.

Under this CEol, applicants may propose an “**Best Concepts and Ideas for Diversity in Research and Management**” covering one of the following themes:

- 1) **Best Ideas and Measures to improve equal opportunities** in scientific research teams or in the overall HBP
- 2) **Best Scientific Research Project that integrates diversity** (sex, gender, further intersectional variables like age, specific diseases etc.)

For each category up to 3 proposals will be awarded by December 2019 (in total: **6 proposals**). The winning proposals will

- have free registration and travel costs for the HBP Summit or another HBP-relevant conference in a similar prize range.
- be given the opportunity to present their achievements to a large audience at the HBP Summit.
- be honoured at the HBP Summit, via the website and further Social Media news channels.

The Call opens on 25 June 2019, and closes on 14 October 2019, 17:00 Brussels time (CET).

Proposals must be submitted electronically, using this form as a single PDF file, in English, before 14 October 2019 at 17:00 Brussels time (CET) via the [HBP Open Call Platform](#).

Best Concepts and Ideas for Diversity in Research and Management

Select a category for your **concept or idea** as defined below:

- 1) **Best Ideas and Measures to improve equal opportunities** in scientific research teams or in the overall HBP
- 2) **Best Scientific Research Project that integrates diversity** (sex, gender, further intersectional variables like age, specific diseases etc.)

- **Title:** 80 words maximum. Please do not use abbreviations or Greek characters

- **Brief description:** 300 words maximum; no abbreviations or Greek characters

PLEASE FILL EITHER (1) “BEST IDEAS AND MEASURES TO IMPROVE EQUAL OPPORTUNITIES” OR (2) “BEST SCIENTIFIC RESEARCH PROJECT THAT INTEGRATES DIVERSITY”

- 1) **Best ideas and measures to improve equal opportunities:** 500 words maximum each, not more than 1000 for the overall concept.

- **1.1 TARGET GROUPS, IMPACT ON GENDER AND DIVERSITY**

Please describe shortly, how the idea or measure you propose will contribute to equal opportunities, especially among women and men? Who are the main target groups (e.g. leaders, team members, specific fields of management or research)? Are you focusing solely on gender or considering further aspects such as ethnicity, disciplinary background, physical abilities etc. in a growing international and interdisciplinary community?

- **1.2. REPLICABILITY AND EXPECTED IMPLEMENTATION EFFORTS**

What is needed to implement your measure? What kind of resources, time and expertise might be needed? How many people at which scope might benefit?

2) **Best scientific research project that integrates diversity:** approximately 500 words maximum each, not more than 1000 for the overall concept

• **2.1 THEORETICAL AND METHODOLOGICAL FRAMEWORK**

Describe identified gaps in current research and how your concept addresses them by differentiating variables related to sex, gender, age and further diversity traits and suggesting a methodological approach accordingly.

• **2.2 INTERDISCIPLINARITY**

If this is an interdisciplinary approach: describe shortly how it will contribute to novel insights and innovative results.

• **Applicant information:** Please provide the following information for each of the contributing team members (Please do not use abbreviations or Greek characters): **All fields are mandatory**

Last name	
First name	
Ms / Mr	
Title (Dr, Prof)	
Academic Career Level (if applicable) Master, PhD student, Postdoc, Associate Prof. Junior Prof. Full Prof.	
Area of Responsibility Team Member, Team Leaders, Task Leader, Work-package Leader, other/further areas responsibilities	
Short biography < 200 words	
Please indicate main author must be HBP	<ul style="list-style-type: none"> • HBP Partner Institution (university, research institution, SME) • non-HBP university, research institution, SME • HBP Partnering Project • Other organisation/company
University/company	
Department	
Address	
ZIP/postal code	
City	
Country	
Telephone	
E-mail address	

- **Gender ratio:** *If your concept involves a team of contributors, please state the gender ratio of female vs. male contributors*

Note: According to the CEol and H2020 principles the team should be gender balanced to the best. A single-gender team will not be considered by the Programme Committee unless the proposers can provide convincing arguments.
